

New Ride

(Ned and Tina are standing in line for a ride. They have already been waiting for two hours.)

Tina

This is suppose to be the greatest ride on the planet.

Ned

I know. I heard that one kid screamed so much his head blew up.

Tina

That definitely didn't happen.

(Just then Ned's mood changes.)

Ned

Um... We have a little problem.

Tina

Oh no, don't tell me the ride broken.

Ned

No that's not it.

Tina

Then what is it?

Ned

I have to use the bathroom.

Tina

Well thats to bad.

Ned

I really have to go.

Tina

You should of went before we got in line.

Ned

That was two hours ago. I didn't have to go then.

Tina

I told you not to drink that Jumbo Coke.

Ned
How much longer is the line going to take?

Tina
Like an hour.

Ned
I can't hold it that long!

Tina
Well don't go in your pants. I don't want to be the kid walking about with the kid who wet himself.

Ned
Just save me spot in line for me.

Tina
Can't do that.

Ned
Why not?

(Tina points to sign.)

Tina
Rules state: No holding spots in line.

(Ned tries to hold it for a few beats. But can't take it anymore. And runs off to the bathroom.)

Ned
Let me know how it is.
