Tanya Kleckner - Director Theatrical

Tanya joined HRi Talent in early 2008 but her story and career started much earlier. Hails from Cambridge, England. Having a well-known and prominent musician as a father, she grew up around many famed and celebrated artists. Her father's work with Jimi Hendrix, The Beatles, Shirley Bassey, Nina Simone, Billy Holiday, etc. inspired Tanya to pursue music. The power packed combination of her ability to play many different instruments, hands on music industry knowledge and college degree in Music, earned her a position as a sound engineer. Tanya worked in many British Studios with amazing artists and legends including Led Zeppelin, Tina Turner and The Who. Later, Tanya decided she wanted to explore other branches of entertainment and leapt at the opportunity to work at the BBC. She successfully worked as a producer of Children's TV Shows but still felt that there was something more for her. Tanya realized that if she really wanted to know more about the Entertainment Industry she would have to move to the epicenter. Los Angeles. For twenty years Tanya worked her way through the Talent Agency and Management system and has been wildly successful. Along the way, she has earned a reputation as a "straight-shooter" and has accumulated a fiercely loyal clientele following. She has worked with such greats as, Kelsey Grammer, Edward James Olmos, Faye

Dunaway, James Coburn and the Coppola Family. Her industry contacts are endless, HBO, Revolution Pictures, ABC, NBC, FOX, TNT, Universal, etc. So is her talent record having booked numerous series regulars, including recurring roles and Pilots for HBO, ABC, NBC, Fox such as Constantine, Sin City Saints, Cedar Cove and NCIS: New Orleans. Tanya looks forward to having a long, prosperous career with HRi and will always seek out and represent the "hottest" talent in the both the U.S. and her native UK.
