BIO

Lipps LA is a Premier Celebrity Branding, Creator/Influencer and Model Management Company. They represent some of the most influential models, performers and influencers in the fashion, beauty and lifestyle space. Clients range from Chiara Ferragni to Cardi B - Gucci Mane, Helena Christensen, Devon Aoki and many more.

Conceptually the agency represents talent traditionally as well as offering influencer marketing and content development - a 360 degree approach to representing talent and models, in content and marketing. Most recently Lipps LA launched a podcast division, producing shows, and was the first agency to represent a virtual influencer model, Daisy Paige.

The Lipps LA team has over 40 year's experience in the industry.
