BIO

Mariko has been in the fashion business for more than 30 years. The parent company, called Prestige, has been in business for over 59 years and our company has three foreign agencies called Visage, Zem, Select and all together the group one of the biggest foreign agencies in Japan. She scouts all over the world including Eastern and Western Europe, North America, South America and South Africa to place models to book catalogue, magazines TV commercials and runway fashion in Osaka Japan. Recently is also scouting here for Team Models in Tokyo.
